# A CHAMPIONSHIP COURSE IN THE HEART OF RALEIGH

Thank you for choosing the Lonnie Poole Golf Course for your next outing. With our breathtaking views, championship links, great food and attention to detail, we are poised to make your experience one your guests will never forget. The stunning layout has been designed by Arnold Palmer and the design team at Arnold Palmer Design Company (including Erik Larsen and Brandon Johnson, both NC State graduates). With breathtaking views of the Raleigh skyline and the award winning Centennial Campus, the golf course has become a favorite in the golf community.

Lonnie Poole GC provides a public golf course on NC State's Centennial Campus and is home of the university men's and women's golf teams. It also facilitates turfgrass and storm water research associated with the College of Agriculture and Life Sciences (CALS). Likewise, the golf course serves as a teaching and training facility for the Professional Golf Management (PGM) Program in the College of Natural Resources. It is a Certified Silver Audubon International Sanctuary, one of only two certified college courses worldwide.

The course is playable for all skill levels and a large challenge to low handicap players. We feel that you will find this course as one of the finest in the area, one of the best university facilities and worthy of one of the premier universities in the nation. We look forward to hosting your event!
