\$285 +

PGA Jr. League Fee - \$99
(one time annual)

The PGA Jr. League Summer Season pricing includes up to 4 practices, and 3 matches/games. Players will sign up for their preferred games and practices each week.

PGA Jr. League games are played in a two-person scramble format. This means that both players in a pair hit their shot. The best shot is selected, then each player plays from the selected spot, and this process continues until the ball is holed.

Two-person pairs will be a part of an overall team for that day, and teams will compete against each other in 9-hole matches.

Players will play from appropriate tees based on their age and skill level, keeping it fun and fair for everyone!

For more information on format and rules, visit <https://www.pgajrleague.com/>

Players can participate in extra practices and games for an additional fee of \$35 per practice and \$45 per game.

*** Note for practice weeks:*

Practices will be held on a Monday, Tuesday, or Wednesday of each practice week. The number of practice slots each week will depend on how many people sign up. Once we have sign-ups and player availability, we will confirm the final practice schedule for the season.
